# Creating a Strategic Financing Plan

#### LifeSkills Training

Webinar Series January 13, 2011

# Our Goals for this Webinar Series

- 1. Share a framework and process for sustainability planning
- 2. Provide information, guidance and tools to support sites in creating a sustainability plan
- 3. Create opportunities for dialogue and peer learning across LST grantee sites

Selected items that you reported as **your** goals for this series:

- •Learn about effective sustainability strategies and practices
- Understand funding sources
- •Guidance and tools to work on a sustainability plan

# Brief Recap of Webinars to date

Introduced:

- the sustainability framework and planning process
- the sustainability planning self-assessment tool
- a framework for understanding how results and outcomes can support sustainability

Provided:

 guidance and tools to assemble a sustainability planning team

#### **Your Reflections**

•Sustainability planning requires buy-in and ongoing commitment to be successful

•There are many options for members of your sustainability planning team: members of school PTAs, PTOs, community-based organizations, teachers, counselors, district staff, etc.

# Today's Agenda

1. Review steps for creating a strategic financing plan.

Discuss funding sources
that can be used to support
LifeSkills Training implementation.

3. Explore financing strategies that can be deployed to support your LifeSkills Training initiative.

# Developing a Strategic Financing Plan

#### 1. Determine cost

CSPV LST cost calculator, available at: <u>http://www.colorado.edu/cspv/blueprints/lst\_grant/calculator.html</u>

- 2. Map current funding
- 3. Assess gaps between cost and available funds

# 4. Identify funding sources and financing strategies

Identify Funding Sources and Financing Strategies

## Suggested Process:

- 1. Clarify what you need and when
- 2. Review current funding mix
- 3. Get more information about funding sources
- 4. Determine what funding sources are most appropriate

# **Context Matters**

What are some contextual issues you should consider when considering funding sources?

- > Policy-related considerations
- > Political context?
- > Economic context?
- Considerations related to partner organizations?

# **Potential Funding Sources**

#### <u>U.S. Department of Education</u>

- Grants to Reduce Alcohol Abuse
- Partnerships in Character Education
- Safe and Supportive Schools
- U.S. Department of Agriculture
  - Rural Youth Development Grants Program
- <u>U.S. Departments of Education, Justice, and</u> <u>Health and Human Services (Jointly</u> <u>Administered)</u>
  - Safe Schools, Healthy Students

### Effective Financing Strategies

- 1. Making Better Use of Existing Resources
- 2. Maximizing Federal, State, & Local Funds
- 3. Building Public-Private Partnerships

# Resources: Funding Sources

- TFP's searchable federal funding catalog www.financeproject.org/fedfund\_search
- Federal funding -www.cfda.gov, www.grants.gov (grant opportunities and online applications), Census Consolidated Federal Funds Report and agency websites (grantees)
- LifeSkills Training-specific— www.lifeskillstraining.com
- Foundation Center www.fdncenter.org
- Publications Chronicle of Philanthropy, www.grants.philanthropy.com, Youth Today www.youthtoday.org
- Private donors www.grassrootsfundraising.org and www.techsoup.org (technology support for nonprofits, including donor development)
